

N.i.D.S.

NATIONAL INCOME DYNAMICS STUDY

PART TIME JOBS AVAILABLE

The National Income Dynamics Study (NIDS) located in the School of Economics is looking for students with good STATA experience to join the data quality team.

This opportunity will give you insights into:

- Data collection methods.
- Data preparation.
- Data analysis.
- You will also gain valuable data management skills.

If you are looking to join the team, the key requirements are as follows:

- STATA and Excel experience (you will be required to pass a competency test).
- Post-grad student.
- Available to work at least 15 hours a week (flexible timetable).

Hourly rate is R118 per hour.

Salaries are offered on a paid on claim basis.

If interested please send your CV to timothy.brophy@uct.ac.za by 14 June 2017

See www.nids.uct.ac.za for more information about the NIDS project.
